ABOUT THE CPC

The Crisis Pregnancy Center is a non-profit ministry serving women, as well as their families and partners, who come seeking help in making decisions about their pregnancies and related concerns. Your future is important to us.

Part of helping women who are pregnant, is being there down the road. We offer support groups, classes, counseling, and material support before, during, and after pregnancy.

Hannah House

Many women find they need extra support and care during their pregnancies and post-partum periods. The Hannah House Maternity Home offers love and compassion during one of life's most difficult times. The Hannah House is a comprehensive residential program for pregnant women and teenagers. We provide a safe home environment where you and your baby can grow and learn. The residents of Hannah House receive case management services to address their physical, emotional and spiritual needs.

At Hannah House, we ensure that our residents have access to quality prenatal and pediatric care. In addition to participating in the programs offered at the Crisis Pregnancy Center, they receive life skills training and assistance in achieving longer-term educational and career goals. You don't have to do it alone.

Material Support

Everyone goes through rough times. We can help. Our Baby Bucks program allows families to "shop" out of our Material Support Store on a weekly basis. Call or email us now to learn how.
