

TWO-YEAR BIBLE READING PLAN

The following Bible reading plan will take you through the entire Bible in two years. You will also read through the Psalms and Proverbs four times in those two years. This plan is based on Gordon Fee and Douglas Stuart's book entitled How to Read the Bible Book by Book. You will benefit most from this Bible reading plan if you use it together with this book. Each day, read the passages assigned for that day. Then read the brief comments on the passages in the book. You can use the catch-up days to get back on top of your Bible reading if you have fallen behind. As you read each day, look for something that you can focus on until your next Bible reading. This way you are left with more than a vague understand of what you have read. After you read the passage, pray this passage for yourself and for other people that you know. ENJOY!
